Name _____

Place a check mark at the end of each question if you have completed the criteria.

HAVE I...

- Broken up the space of my paper into no more than 12 fairly large geometric shapes?
- Emphasized my animal?
- Balanced my composition by drawing other objects to help fill the space of my paper?
- Made my composition look full and balanced?
- Thought about where to include patterns in my composition?
- Pre-cut all my paper shapes for my patterns?

When you have checked all of these statements, you are ready to paint.
