Self-assessment – *Utopia Painting*

Name

Do the objects that are in the foreground (closer) have more detail than those in the distance?

Are the objects that are in the foreground bright and warm?

Are the objects that are in the background (farther away) smaller?

Are the objects that are in the background less vibrant?

Did you use overlapping to show depth?

Did you use lighter tones in your sky close to the horizon line?

Does your drawing give you a lot of information about your utopia?

Did you include a reflection?
